our celebration of the Village supporting Preservation, History and Scholarship:

We look forward to a wonderful day full of offering your food, baked goods, music, children's games, Pet Parade, a raffle and Live Auction, watermelon eating contest and most importantly **you**, our Artists & Crafters. As you know, we hold this event rain or shine so we encourage you to bring your own tent for all weather possibilities. We look forward to your participation in this celebratory day supporting HCS and our wonderful community!
